

IF YOUR CHILD IS BEING BULLIED OR HARASSED

Step 1
Listen carefully to your child's reports of being bullied. Take the problem seriously but stay calm.

If you believe the bullying is serious and your child is at risk, contact the school and speak to the head teacher and/or the deputy principal.

Step 2
Encourage your child to tell the bully to stop if they haven't already done so. Don't encourage your child to hit the bully. Violence does not solve the problem.

Step 3
Encourage your child to tell a teacher, Crew leader, year advisor or head teacher about the bullying or harassment.

If your child is not comfortable telling an adult at school:
Contact the school and speak to your head teacher and/or the deputy principal to discuss the situation.

Step 4
Keep talking to your child about the situation and stay in contact with the school so the issue can be resolved.

Bullying

Bullying behaviour has three key features. It involves the intentional misuse of power in a relationship. It is ongoing and repeated, and it involves behaviours that can cause harm. Reference: NSW Department of Education.

Our school rejects all forms of bullying behaviours, including online (or cyber) bullying by maintaining a commitment to providing a safe, inclusive and respectful learning community that promotes student wellbeing. Executive staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

School Culture and Inclusion

All members of the school community are active participants in building a welcoming school culture that values diversity and fosters positive relationships.

Partnerships with families and community

Our school proactively builds collaborative relationships with families and communities to create a shared understanding of how to support student learning, safety and wellbeing.

Support for wellbeing and positive behaviours

Our school's practices support student wellbeing and positive behaviour approaches that align with our school community's needs.
