

Bungendore High School P&C Association

Work Health and Safety Policy

The Bungendore High School P&C Association is committed to providing a safe and healthy workplace for its P&C Association members, volunteers to the P&C Association and employees of the P&C Association.

The Bungendore High School P&C Association believes that the health and safety of P&C Association members, volunteers and employees is vital to the successful operation of the P&C Association.

The Bungendore High School P&C Association will therefore commit resources to comply with all the relevant Acts and Regulations to ensure that the workplace is safe.

Responsibilities:

Promoting and maintaining Work, Health and Safety (WH&S) is the responsibility of any 'person conducting a business or undertaking' – this will be the Bungendore High School P&C Association and any of its sub-committees.

To achieve a good work, health and safety environment for all P&C Association members, volunteers, and employees it is important that everyone accepts responsibility for their own health and well-being and follow safe work practices when working with others.

All P&C Association members, volunteers and employees must promote the concepts of WH&S and are required to implement practical measures to ensure that the activities of the P&C Association are undertaken in a safe manner and risks to any person's health are minimised.

Work, Health and Safety will be addressed at general meetings of the Bungendore High School P&C Association on request of any member in writing or as set on the Agenda by the President or the Secretary.

This Work Health and Safety Policy is as adopted by the Bungendore High School P&C Association on:

1/3/2022
